We strive to be a church ...

** Where people are so excited, they can't help but tell others about Jesus.*

** Where people participate in "hands-on" and "off-site" mission projects.*

** Where people are given the resources they need to reach the community.*

Through our missions and outreach we strive to "Bring Faith & Community Together".

We have many ongoing opportunities of hands on project and service events that help others in our community and beyond.

Jarrettown UMC partners with many organizations to support different groups of people in our area.

For a full list of our current mission opportunities please check our website www.jarrettown.church

Welcome to Jarrettown United
Methodist Church

GATHER

We strive to be a church ...

* Where people come to worship in a friendly environment, they hear a sermon based on the Bible that strengthens their faith in Jesus, are inspired by uplifting music, and want to invite their friends to join them.

* Where people experience the presence of the living God and are filled with joy and purpose to face the ups and downs of life. From the moment you walk in the door until the moment you leave, we are committed to a creative, compelling, and challenging presentation of God's truth.

Our Pastor, Bob Strauss, strives to deliver passionate, straight-forward and relevant gospel messages that focus on how to apply biblical principles and Christ's teachings to your daily life.

Our style of worship is a mix of contemporary and traditional music under the leadership of Sheri Melcher and Kelly Anlas. We also have Children's programming available during the service.

We want your experience here to be among the most meaningful and inspirational times of your week.

GROW

We strive to be a church ...

* Where people grow deeper in their faith and in their relationship with Jesus by doing life together.

* Where people are engaged in ongoing small group and/or Sunday School opportunities to learn and study together.

* Where children and youth want to come and have fun learning about Jesus with their friends.

Our church has a vision for helping people grow in their faith. We believe that everyone can begin their growth as a Christian through different opportunities.

Some may choose to get involved in a mission project. Some may begin attending Sunday worship etc.

SERVE

We strive to be a church...

* Where people are using their gifts and living out their faith by serving in our church community.

* Where families can experience the joy of working together to help others.

* Where people get together in non-traditional ways to demonstrate the love of Jesus.

Our church offers many ways for people to get involved as individuals or as a family.

Some of the ways people serve are:

- ◇ Being a greeter or usher
- ◇ Visitation Ministry
- ◇ Bus Ministry
- ◇ Helping with Hospitality
- ◇ Welcome Team
- ◇ Technology Team
