

**Jarrettown United Methodist Church Jesus Victory Garden**

**Rules, Terms and Conditions for Participants**

As a member of the JUMC Jesus Victory Garden, I agree to abide by the following rules:

Spring

- Remove winterizing material on top of plot.
- Turn your soil, add a small amount of compost.
- Plant after the last frost for zone 7A-7B
- After plants start growing, make sure irrigation lines are working

Weekly

- Weed your plot.
- Harvest your plot – do not let produce rot on the vines.
- If you need your plot picked while you are away, please find a substitute. If needed, list will be available through the church office.

Fall

- Before December 1, remove weeds and plants, turn soil.
- Cover plot with mulch or landscaping fabric.

Other

- You will need to provide your own fertilizer, mulch, tools, etc.
- Use organic products when possible.
- Garden Coordinator will assign the garden beds.
- JUMC will provide water. Monetary donations (JUMC) to help offset costs of water are appreciated.
- Produce donations to the North Hills Food Cupboard are appreciated. Please contact the office to set up arrangements.

Commitment – I have read and understand the application and accept these rules, terms and conditions stated above for the participation in the Jesus Victory Garden. Non-compliance with the rules, terms and conditions is cause for exclusion from the garden.
