November Mission of the Month

Angel Tree Toy Collection (new & unwrapped) for Methodist Services Hope Network

MSHN is devoted to the well-being of children in all walks of life and serves an average 2,600 children, individuals & families. They provide life enriching services to children, adults and families as they face the challenges of limited resources, increased poverty and homelessness, disability, inequities in education and behavioral health services. Quality services provided include housing, childcare, education programs, permanence in families, mental health services and nutrition programs.
